## Design a Restaurant

You have decided to open your own restaurant. You will work hard to bring your ideas to light to make your dreams real. But first, we must answer the questions: who, what, when, where and how. For this project, you may work in a group of 1-3 students.

### Pre-Challenge:

Discuss what your favorite restaurant is in town and your favorite type of food to have when dining out.

### Step 1: Think of a concept. This is the way people see your restaurant. It tells people what to expect when dining there.

1. What is the overall concept of your restaurant going to be? (Ex: trendy, fun, local food) \_\_\_\_\_
2. What country or region inspires your restaurant? \_\_\_\_\_
3. What type of food will you serve? (Ex: ethnic, fast food, comfort food, café)  
\_\_\_\_\_
4. Who is your target market? (Families with children, Business People, People on the Go) \_\_\_\_\_
5. What kind of service will you offer? (Fine Dining, Casual Dining, Buffet, Take out)  
\_\_\_\_\_
6. What are some dishes/food you plan on serving? \_\_\_\_\_  
\_\_\_\_\_

### Step 2: Think of the atmosphere. This is the way people will physically see your restaurant when they walk in.

1. What will your restaurant be named? Remember that your name must match the concept. \_\_\_\_\_
2. Will you have a logo? If so, what will it be? \_\_\_\_\_
3. Where do you want this restaurant to be located? \_\_\_\_\_
4. What kind of lighting will your restaurant have? \_\_\_\_\_
5. What type of seating will your restaurant have? \_\_\_\_\_

### Step 3: Use a form of technology to present your ideas to your class.

# Activity Four

## Building Networks for your Business

Imagine you are starting your own business. Think of a product you want to sell. For example, say you want to open a lemonade stand. Having a great product is one thing, but to be a success, you need to know the right people.

In this example, the right people would be vendors who can supply you with the lemons you will need. You may also need to know the right person at city hall to get you a permit so you can put up your stand. Someone who's good at marketing would also be good to know. They can help you get the word out about your new business.

Come up with a good product. What is your product? \_\_\_\_\_

Make a list of all the people who can help you:

_____	_____

## Debate Essay

A debate is like an essay. It has a beginning, a middle and an end. The beginning tells what someone thinks about something. The middle gives all the proof to back them up. The end gives a summary of what they think and why. An essay will usually tell just one side of something. A debate tells both sides.

For this activity, you will write out what you think about something. This will be your side of the debate. Pick a problem that you think strongly about. Write an essay following the layout below.

**Beginning:** Say what the problem is and what you think about it. 2-3 sentences
